GREEN SPACES

AVAILABILITY AND ACCESS OF GREEN SPACES IN COMMUNITY

From the proposed site on Alberta Street in between 17th and 18th, there is currently only one park that is located within five minutes walking distance. Alberta Park is about five blocks away and offers 16.7 acres for activities such as soccer, tennis, football, softball, a playground and wading pool as well as an off-leash area for dogs. Wilshire, Irving, and Fernhill Parks offer the same recreation activities, but are more than 20 blocks away.

Map showing surrounding area, parks are dark green and green spaces are light green.
